

# Release Notes

## ConstructConnect Insight

Version 2019.23.0 Released 12/18/2019

---

### Introduction

This document describes the features included in version 2019.23.0 released 12/18/2019. For questions, please contact [customer@constructconnect.com](mailto:customer@constructconnect.com) or US: (800) 424-3996, CAN: (800) 959-0502.

### Web features

#### Native Onboarding Walkthrough

We replaced the Pendo onboarding walkthrough with a native walkthrough. There is no change in the appearance or functionality of this walkthrough.

#### Project Not Available Message

The project not available message now says, "This project is either no longer available, archived or your account does not allow access."

### Bugs

#### Feedback Form Must Have a Reason

The feedback form will not submit if there is no reason entered.

#### Assign Search Works in Firefox

Users can assign searches in Firefox.
